

AVINASH CHATURVEDI

Full Stack Developer

Deoria, Uttar Pradesh, India | avichaturvedi9415@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Computer Science and Engineering undergraduate with hands-on full-stack development experience gained through an industry internship building responsive, user-facing web applications. Proficient in HTML5, CSS3, JavaScript, React, and the MERN stack, with a working foundation in Java, Python, and C. Delivered a production-style Employee Management System and an independently designed portfolio site, demonstrating the ability to own features end-to-end and meet project timelines. Actively expanding skills in Django and AI-agent development; seeking a Full Stack Developer internship or entry-level software engineering role.

TECHNICAL SKILLS

Programming Languages: Java, Python, C

Frontend: HTML5, CSS3, JavaScript, React

Backend: Node.js, Express.js (MERN Stack), Django (in progress)

Databases: MongoDB

Tools & Platforms: Git, GitHub, Windows

Core CS Fundamentals: Database Management Systems, Operating Systems, Computer Networks

PROFESSIONAL EXPERIENCE

Student Intern — CodroidHub

June 2025 – July 2025

Remote

- Developed responsive web interfaces using HTML, CSS, JavaScript, and the MERN stack, improving usability and consistency across desktop and mobile devices.
- Built and enhanced multiple web applications with a focus on responsive design, cross-browser compatibility, and usability best practices.
- Designed and implemented a personal portfolio website from scratch, independently handling layout, styling, and deployment.
- Contributed to the development of an Employee Management System as part of structured internship training, applying MERN stack fundamentals to a multi-feature application.
- Worked independently to plan, execute, and deliver assigned development tasks within project timelines, collaborating with mentors for code review and feedback.

PROJECTS

Personal Portfolio Website | HTML, CSS, JavaScript

- Designed and developed a fully responsive personal portfolio website from scratch to showcase technical skills, academic background, and development projects.
- Implemented a modern, mobile-first user interface with responsive layouts that render consistently across desktop, tablet, and mobile screen sizes.
- Structured the site as a single-page application with clear navigation, highlighting frontend development proficiency in a professional, recruiter-ready format.

EDUCATION

B.Tech in Computer Science & Engineering — GLA University, Mathura, Uttar Pradesh 2024 – 2028 (Expected)

CGPA: 6.9 / 10

Relevant Coursework: Database Management Systems, Operating Systems, Computer Networks

Class XII (CBSE) — Nav Jeevan Mission School

2023 | 67%

Class X (CBSE) — Nav Jeevan Mission School

2021 | 77%

CERTIFICATIONS

- Full Stack Development with Django & AI Agents — The Angaar Batch (July 2025)

ACHIEVEMENTS

- Participated in the Galgotias University UI/UX Hackathon.

EXTRACURRICULAR ACTIVITIES & LANGUAGES

Interests: Football, Photography, Music

Languages: Hindi (Native), English (Professional Working Proficiency)
